

A minister decided that a visual demonstration would add emphasis to his Sunday sermon.

Four worms were placed into four separate jars.

*The first worm was put into a container of alcohol.
The second worm was put into a container of cigarette smoke.
The third worm was put into a container of chocolate syrup.
The fourth worm was put into a container of good clean soil.*

At the conclusion of the sermon, the Minister reported the following results:

*The first worm in alcohol -
Dead.*

The second worm in cigarette smoke -
Dead

Third worm in chocolate syrup -
Dead

Fourth worm in good clean soil -
Alive.

So the Minister asked the congregation -

What can you learn from this demonstration?

*Maxine was sitting in the back,
quickly raised her hand and said,*

*"As long as you drink,
smoke and eat chocolate,
you won't have worms!"*
