Next Meeting – Monday, April 13 Mint Hill Town Hall

Our April club meeting will serve as a Planning Session for our 2009-2010 structure. Be thinking how best we accomplish our goal to promote activities that exhibit our vision of service, social, and self-improvement.

The Board compiled a list of potential officers for next year. Please consider what office; committee or team leader would be of interest to you, as additional nominations will be received from the floor. We recommend continuing the four-season team concept for another year, with the addition of a Service Coordinator as a year-long position.

Additionally, members will vote on distributing funds raised this year. The Board has recommendations as a basis for discussion, however we ALL participate in generating the funds and the club as a whole will determine final distribution.

Luncheon at Mint Hill Historical Society

The regular monthly "lunch bunch" gathering is at the old Schoolhouse on the grounds of Mint Hill Historical Society. In addition to savoring the delicious food prepared by the members, we will participate in a "tea tasting" to assist in selection of the MHHS "Signature Tea".

After lunch, a docent will conduct tours of the property, including the Country Doctors Museum and Old Country Store.

Do not wait until the club meeting, but call Barbara Banister NOW, as the sign up deadline is April 9.
