### MONTHLY CLUB MEETING – APRIL 12 BIRTHDAY BLESSINGS

Bronwyn Pressley spoke and gave us good insight into this "all volunteer" organization. Every year, Birthday Blessings makes a positive impact in the lives of thousands of needy youth and families across our greater Charlotte community.

She expressed sincere appreciation for all the items that were donated by MHWC members. There are a lot of volunteer opportunities that may be pursued (i.e., Adopt a Party, Assemble Goodie Bags) as they coordinate giving 25-30 parties each month.

**Service Opportunity**

Our first member for 2010-2011 to Mint Hill Women's Club is Kimberly Williams. She is very involved and interested in supporting schools in our area, particularly Lebanon Road Elementary. We share this from Kimberly:

*Are there any women who would be interested in volunteering at Lebanon Road Elementary School to proctor the EOG testing? If so, please let me know if you are available and what time you are available to assist.*

All 3-5 students in the CMS district will begin taking the End of Grade (EOG) Tests on Monday, May 10th - Wednesday, May 12th. Our school will need volunteers to proctor (assist) teachers or test administrators during testing beginning at 8:45 a.m. - 11:45 a.m. If volunteers are not able to proctor for the entire duration of the testing period, they may be assigned to a kindergarten room to assist teachers as their normal assistants will be used as proctors for the three hour time frame. If anyone is available or desire to participate, please have them go to the CMS homepage at <http://www.cms.k12.nc.us/> to complete the volunteer application. It takes approximate 1-2 minutes to complete and is approved within 2-3 business day. Additionally, send me the names of any interested parties and their available time. What time they are able to volunteer is useful.
